

STACKWOOD STUDIOS PHOTOGRAPHY

Hello! We're Darrell & Kara Adkins.

We both grew up in Northville and graduated from NHS in 2001.

I (Kara) discovered my passion for photography while studying at MSU, and later moved to California to attend Brooks Institute. After a few years working as a photo retoucher, I moved back to Michigan to launch my own photography business — and reconnected with Darrell.

Darrell picked up a camera and, much to my (slight) annoyance after four years of photography school, figured it out almost instantly. Luckily, it turned out to be a good thing — we quickly realized we made a great team.

In 2012, we opened our downtown Northville studio, and today we spend our time photographing seniors and raising our three girls. We feel incredibly lucky to do what we love — we love getting to know each senior and capturing the real, honest moments that make this time so special.

Digitals & Products

Our seniors want one thing most — the freedom to keep, share, and show off their favorite images right away. That's why we start with digital files first.

Once you purchase your digital files, you'll unlock access to discounted pricing on prints, albums, graduation cards, and more. You're free to create your own prints anywhere you choose — but if you'd prefer the ease and quality of professional products, we offer beautiful prints and keepsakes at special client pricing.

This way, you only invest in the images you truly love — and you get the best of both worlds: flexibility and convenience!

WHAT TO EXPECT

HEADSHOTS

YOUR SENIOR YEAR STARTS HERE

We'll start with a quick in-studio headshot where you'll pick your favorite image on the spot. We'll retouch it and send it directly to the yearbook staff — no stress!

You'll also get access to order digitals and prints online.

Ready to book? Visit the Book Now tab on our website. Don't see a time that works? Just reach out — we're always adding more!

OUTDOOR SESSIONS

BRING YOUR PERSONALITY TO LIFE

On shoot day, we'll start with your headshot (come ready!), select your yearbook photo at the session, and plan your outdoor locations based on your outfits. Then it's all about having fun and capturing amazing shots!

Before booking, review our price sheet to understand digital and product costs and structure.

Next, head to our website and click Book Now to reserve your session.

WHAT & WHO TO BRING

Bring anyone who makes you smile — your mom, best friend, sister, boyfriend, girlfriend, or even your pet! (We can also come to your pet if that's easier.) Family photos are always welcome too — it's a perfect time before you head off to college.

Also bring anything that tells your story:

Clothing options and accessories

Varsity jacket, sports gear, musical instruments

Hobby items like skateboards, cameras, or art supplies

Even your car if you love it!

WHAT TO WEAR

You don't need to dress up — the best photos happen when you're comfortable and your outfits reflect your style.

If your session includes outfit changes, bring a variety: sweaters, dresses, pants, shorts, and jackets you can layer to create different looks. For guys just a simple black tshirt and pants is a great choice. Vary your colors and styles to add more variety to your gallery.

Patterns look great with simple backgrounds, while solid colors work best with busier scenes.

Don't forget accessories like jewelry, belts, and shoes — and make sure everything is clean and wrinkle-free!

F.A.Q's

WHERE WILL MY SESSION BE?

Most sessions are shot around Downtown Northville or nearby parks. I also have some favorite locations in Ann Arbor if you want something different. If you have a special location in mind, let us know!

IT LOOKS LIKE IT IS GOING TO RAIN THE DAY MY SESSION IS BOOKED, WHAT DO WE DO?

I'm definitely not going to make you shoot in the rain! We will make a call on the weather the night before or the morning of your session and reschedule if it looks like rain.

IS HAIR AND MAKEUP INCLUDED IN MY SESSION?

No, but you're welcome to hire a stylist or do it yourself. Just come feeling confident!.

HOW DO I BOOK MY SESSION WITH YOU?

There is a Book Now link on my website that will take you to the online booking system. Choose the session that best fits what you need, choose an available date and time, check out, and I'll see you then!

WHEN DO I SEE MY PHOTOS?

Your gallery will be ready 2-3 weeks after your session.

HOW LONG WILL MY GALLERY BE AVAILABLE?

Your online gallery will be available for 60 days after posting. We recommend placing your orders within this time to keep the process simple and ensure quick delivery.

WILL YOU RETOUCH THE PRINTS AND PRODUCTS THAT I ORDER?

Yes! Typical retouching includes facial blemish removal, under eye circle softening, fly away hair removal, and removal of anything distracting in the background.

DO I HAVE TO ORDER A PACKAGE OR IS THERE A MINIMUM ORDER?

There's no minimum order — you're free to purchase exactly what you want! We do require purchasing digital files first, because your digitals serve as the foundation for any prints, albums, or products you may want to create. This way, you fully own your favorite images — and you'll have access to discounted, professional-quality products built directly from the files you love most.
